2. RULES AND REGULATIONS

Detailed information about the current ISSF Rules and Regulations is available on the ISSF website www.issf-sports.org.

The ESC Challenge events will be conducted according to the ESC General Regulations and ESC Challenge rules – Detailed information is available on the ESC website <https://esc-shooting.org/documents/escrules>

The Juries (Competition Jury, RTS/ Equipment Control Jury) will be designated by the ESC to supervise the Championship. Qualified Range Officers holding applicable ISSF Licenses will conduct the competitions.

EQUIPMENT CONTROL :

ISSF rules for equipment control could evolve. We will use the updated rules during this European Championship. You will find below some information about the actual rules.

An online booking will be organized. More information to come.

RIFLE/PISTOL EQUIPMENT

All athletes are subject to being selected for random post-competition testing and will be disqualified if their equipment or clothing is not according to ISSF Rules.

RIFLE CLOTHING

Any rifle jackets or trousers that do not have ISSF seals must be submitted to Equipment Control for inspection. Rifle athletes can have only one active jacket and trousers at any time. No new seal will be added during the European championship.

RIFLE CLOTHING POST-COMPETITION STIFFNESS TESTING

If one panel of a rifle jacket or trousers tests 2.9 or lower, the stiffness device must be recalibrated and the panel must be retested. If it fails again, but all other panels pass, the athlete will not be disqualified, but a written warning must be given to the athlete and the ISSF seal must be cut off. The athlete can continue using this clothing for that day in that event. If two or more panels fail, the athlete must be disqualified (DSQ).

SHOTGUN EQUIPMENT

Any shooting vests that do not have ISSF seals on the marker tapes must be submitted to Equipment Control for inspection and the affixing of a seal before the competition. Equipment Control will be conducted according to ISSF Rules using approved, calibrated instruments. Pre- competition testing is not mandatory; however, athletes are responsible for competing with legal equipment and clothing. All athletes are urged to submit any doubtful equipment and clothing to Equipment Control or the Shotgun Jury for checking before the competition. All athletes are subject to being selected for random testing during the competition. Athletes found to be in violation of the rules for guns or skeet marker tapes will be disqualified.
